5. Mr. Pembroke (FBID) called to say that FBIS had received a personnel letter from Eustred Brush Howard, Jr. requesting certain FBIS transcripts. He indicated that he was a member of a Senate foreign relations study group for the Institute of Mediterranean Affairs (Contract II). Pembroke said they proposed to reply to Howard's request in the negative. After checking with the Senate Foreign Relations Committee staff (Mr. Henderson), it was suggested that the FBIS letter include a statement that we would be pleased to fill the request through Senate Foreign Relations Committee channels. Mr. Henderson was aware of our distribution problem and suggested this course.
